

IONISING RADIATION REGULATIONS 1999: TRAINING FOR HSE APPOINTED DOCTORS

Wednesday 4 October 2017. 9am – 4.30pm
ARK Centre, North Hampshire Hospital, Basingstoke RG24 9NN

Course fee: £350.00 + VAT

This one-day course is suitable for doctors who are currently HSE-appointed and need a refresher in order to renew their HSE appointment. It is also suitable for doctors wishing to apply for HSE appointment. It was previously run on behalf of the Robens Centre for Occupational Health and Safety in Guildford.

It follows the HSE Training Syllabus for Appointed Doctors and will provide a Certificate of Attendance. The course fee also includes a copy of HSE – Work for Ionising Radiation Regulations 1999.

Trident Medical Services has been providing occupational health to the nuclear industry since 1995 and has been delivering this course for over 10 years.
