

Occupational Health Services  
BRIGHTON & SUSSEX UNIVERSITY HOSPITALS NHS TRUST  
ROYAL SUSSEX COUNTY HOSPITAL  
Sessional Occupational Health Consultant

We are seeking a Sessional Occupational Health Consultant to join an established multi- disciplinary, nurse led Occupational Health team. Occupational Health provides services to Trust staff and to a variety of external clients, including students from the School of Health Sciences and Brighton & Sussex Medical School.

The main role for the post holder will be the assessment of complex referrals for fitness to work, ill health retirement, prescribing for elective travel and monitoring health care workers with blood borne viruses undertaking EPP.

Occupational Health Services is based on the St Mary's site which is a short walk from the Royal Sussex County Hospital and easily accessible by public transport.

The post is for a minimum of 40 sessions (40 days) or 2 PAs with availability to undertake additional sessions during peaks of activity.

Closing date for applications is 13 December 2017.

If you would like to discuss the post in more detail please contact Jane Kemp Occupational Health Manager on 01273 696955 extn. 62983 or [jane.kemp@bsuh.nhs.uk](mailto:jane.kemp@bsuh.nhs.uk)
