

# Consultant Occupational Health Physician

## Full-time or part-time, Altrincham

Do you want to...

- ... thrive in a supportive collegiate work environment?
- ... be responsible for and deliver high quality care?

Health Management (a MAXIMUS Company) offers expert medical advice, dynamic health-promotion campaigns and on-site clinical support to a wide range of employers nationwide. We offer a friendly and supportive working environment and pride ourselves on upholding unrivalled standards of quality.

We are currently looking to recruit a **Consultant Occupational Health Physician**. You will be asked to carry out clinical assessments (e.g. absence and rehabilitation medical assessments, health surveillance and pre employment medicals), prepare client reports from own and third party medical evidence, prepare/review occupational health policies and procedures and maintain up to date CPD and appraisals.

We offer the opportunity to combine both clinic-based work and homeworking. In return offer you the opportunity to be part of a truly collaborative clinical team which has a client retention rate of over 95%. Our benefits include professional indemnity, professional membership reimbursement, CPD support, PMI, a health cash plan, supervision from a Responsible Officer and ongoing professional development.

If you would like to join one of the UK's leading occupational healthcare providers, working with more than 500 public and private sector employers, please submit your CV together with a covering letter and your salary expectations to
