MFT Values and Behaviours Framework 'Together Care Matters'

This below table outlines the types of behaviours you'd be expected to exhibt if you were living our Values and Behavours effectively within your role.

Value	Behaviours we want - Examples of this Value in practice	
Working Together	I listen and value others views and opinions We work together to overcome difficulties I effectively communicate and share information with the team I do everything I can to offer my colleagues the support they need	
Dignity and Care	 I treat others the way they would like to be treated – putting myself in their shoes I show empathy by understanding the emotions, feeling and views of others I demonstrate a genuine interest in my patients and the care they receive I am polite, helpful, caring and kind 	
Everyone Matters	 I listen and respect the views and opinions of others I recognise that different people need different support and I accommodate their needs I treat everyone fairly I encourage everyone to share ideas and suggestions for improvements 	
Open and Honest	 I admit when I have made a mistake, and learn from these I feel I can speak out if standards are not being maintained or patient safety is compromised I deal with people in a professional and honest manner I share with colleagues and patients how decisions were made
