

Occupational Health Physician – Glasgow

Full or Part Time

INTEGRAL®
OCCUPATIONAL HEALTH

Remuneration Package: Competitive

Integral Occupational Health is a customer service driven Occupational Health provider with an emphasis on private sector Occupational Health delivery. We cover a wide range of industry sectors, giving variety to our clinical roles.

Our Head Office is located in Glasgow city centre with a second office in Edinburgh.

We have an opportunity for an OH Physician with the ability to deliver the high quality service our customers receive. You will need to be able to manage and meet client expectations with your standard of clinical reporting and personal interactions with client companies.

We work with extended length appointments to allow you to deliver your best quality work. We have an established Clinical Governance programme and excellent support to meet Revalidation requirements. We are SEQOHS accredited.

Your clinical work will mainly be delivered from our central Glasgow office with occasional travel to surrounding clients from time to time.

Qualification:

The ability to deliver service to our customers' expectations is our main recruitment criterion. We would be pleased to consider applications from all OH Physicians with FFOM, MFOM, AFOM or DipOccMed.

We can accommodate preferences for full or part time work from interested physicians.

Application:

Email your note of interest and CV to Recruitment@integraloh.com or, for a confidential, informal discussion, you can contact Dr Munna Roy, Medical Director, on 0141 331 4199.

Closing date: 1st May 2018
