

Join SOM as an Allied Health Professional

Are you an Allied Health Professional, such as occupational therapist, physiotherapist or psychologist working in occupational health and medicine, or have an interest in this area?

SOM is a multidisciplinary national leader in supporting occupational health professional development and education.

Member benefits include:

- Networking with other AHPs and professionals through special interest groups such as for AHPs, Neurodivergence, MSK, Occupational Health and Work Psychology, and Mental Health. There are also SOM regional groups in the UK and internationally
- Access to the SOM members website
- Free webinars (bookable online at www.som.org.uk/events). Everything from AI to mental wellbeing, occupational therapy leadership in OH, health surveillance and women's health is covered!
- Workplace visits (recent trips to Morgan Motors, JCB, Houses of Parliament)
- Free legal advice
- A monthly newsletter including events, jobs and policy and practice updates
- Discounts to our Annual Conference and courses
- Peer to peer support
- Representation through national consultations
- Our acclaimed Occupational Medicine journal
