

Occupational Health Placement Toolkit Overview

Purpose:

This toolkit supports OH teams in delivering meaningful and structured student placements for nursing, physiotherapy, and AHP students.

What's Included:

1. [Example Student Induction Document](#) (Northamptonshire)
2. Template student objectives (University of Manchester)
3. Sample digital weekly planner
4. Example of a placement learning contract (university of Derby)
5. Timetable example (Newcastle NHS OHS)
6. Sample HEI partnership learning agreement (University of Derby)
7. SOM NSOH OH placement workbook
8. How we did it: Newcastle OHS
9. Confidentiality NDA shadow placement agreement template

How to Use:

- Download the Toolkit from the NSOH website
<https://eastmidlandsdeanery.nhs.uk/occupational-health/nsoh-training-education-placements>
- SOM careers > placements <https://www.som.org.uk/careers>
- Adapt documents to suit your needs and the type of student. Always get support from your HEI placement lead
- Link students to specific learning opportunities such as audits or training days

Contacts for Support:

- Placement Learning Leader at your local university
- ICS Practice Learning Facilitator (for NHS teams)

Available Training:

Online Supervisor and Assessor Course- Anglia Ruskin University and Northamptonshire University. These flexible, self-paced courses provide the essential skills and knowledge required to supervise and assess students in clinical placements.
