## **Insync Corporate Healthcare Ltd - Advertisement for a Post**

**Job title** - Occupational Health Physician

**Location** - Cardiff with travel throughout Southern/Mid Wales area

### **Who we need**

We are looking for a self-motivated individual with an eye for detail, dedication to quality and desire to make a positive difference to become part of a great team and an integral part of an expanding business.

Insync Corporate Healthcare Ltd is a SEQOHS accredited provider of quality occupational health services to organisations and businesses in Wales and South West of England. Due to expansion we have an opportunity for an occupational health physician to join our successful and enthusiastic team.

The majority of our contracts are located within an hour's drive of the Welsh Capital. We provide services across a variety of sectors including Local and National Government and to private sector employers in industry and financial/insurance services.

Ideally we are looking for a commitment of 3 days per week, but we are more than willing to consider at alternative work arrangements for the correct candidate.

### **What we offer**

A competitive salary, pension and annual leave package will be offered commensurate with experience and qualifications.

A robust, supportive organisational structure guided by SEQOHS principles

Working alongside experienced occupational health professionals.

Experience of working within a high profile settings.
