

We believe that Work is good for Health & Health is good for Work

OCCUPATIONAL PHYSICIAN ROLES

Fit for Work (2016) Ltd is a leading provider of occupational health services in New Zealand. Employing over 90 (and contracting more than 200) staff, our fully-integrated team includes Occupational Physicians, Occupational Therapists, Physiotherapists, Vocational Consultants, Psychologists and Occupational Health Nurses. With offices across the country, we provide a nationwide service to government agencies, insurance companies, the private sector and in fact anyone with a vested interest in the health of workers.

Permanent and locum roles are available in Auckland, Wellington, Christchurch and Central Otago for specialist Occupational Physicians trained in New Zealand, Australia, Ireland and the UK.

Visit our website www.fitforwork.co.nz or for a confidential discussion please contact Tracy Mannering, Human Resources Manager on email tracy.mannering@fitforwork.co.nz.
