

SOM GROUP MEMBERSHIP 2026

SOM's group membership is designed for occupational health (OH) teams and OH organisations who employ multiple OH professionals.

The more OH professionals sign up, the more you save. Each member in the group receives full member benefits, at a reduced rate per person.

Benefits include:

- Online access to the *Occupational Medicine* journal nine times a year; allowing teams to access articles that help address day-to-day challenges, keeping them at the forefront of thinking and practice in OH
- monthly e news
- access to regional groups, and discounts on our annual conference and events
- competitive indemnity insurance for nurses and doctors
- a free online appraisal tool for nurses and access to appraisal services for doctors
- free monthly webinars (e.g. on confidentiality, stress, MSK etc.)
- structured peer support package providing member to member advice
- special interest groups e.g. on MSK, HAVS, Mental Health, and Occupational Health Technicians and Disability Assessors

How to Join

E mail membership@som.org.uk with details of the number of members you wish to apply for, and your invoicing details.

Note:

- Each member needs to register on our website to create a login to our Members Area.
- Any members of your group who are currently already paid SOM members will be able to take part in this group offer (re-imburement will occur).
- "A group" is defined as five or more people receiving a salary from the same employer.
- Membership is paid for annually by the employer.
- At least one member of the group should not be a medical doctor.

Pricing is in the following categories, on a pro rata basis January - December:

5 to 10 staff - £212 per head
11 to 15 staff - £196 per head
16 to 20 staff - £190 per head
21 or more staff - £184 per head

This constitutes a significant saving on our 2026 fee for individual membership, which is £246.

For a further £33 per head a paper copy of the journal can be provided.
