

SOM GROUP MEMBERSHIP

SOM's group membership is designed for OH teams and OH organisations who employ multiple OH professionals. There are more savings, the more OH professionals sign up, so each member in the group receives full member benefits, at a reduced rate per person. Benefits include:

- a paper copy of the Occupational Medicine Journal nine times a year; allowing teams to tap into resources that help address day-to-day challenges, staying at the forefront of thinking and practice with resources that can't be found anywhere else
- monthly e news
- access to regional groups, discounts on our annual conference and events
- competitive indemnity insurance for nurses and doctors
- a free online appraisal tool for nurses and access to appraisal services for doctors
- free monthly webinars (e.g. on confidentiality, stress, MSK etc.)
- structured peer support package providing member to member advice
- special interest groups e.g. on MSK, HAVS, Skin, Occupational Health Management, Mental Health, and Occupational Health Technicians and Disability Assessors groups

How to Join

E mail membership@som.org.uk with details of the number of members you wish to apply for, and your invoicing details. Note:

- Each member needs to register on our website to create a log in to our members' area
- Any individual members who are currently already paid SOM members will be able to take part in this group offer (re-imburement will occur)
- "A group" is defined as three or more people receiving a salary from the same employer.
- Membership is paid for annually by the employer.
- *At least one member of the group should not be a medical doctor*

Pricing is in the following categories, on pro rata basis January - December:

3 to 5 staff - £205 per head

6 to 10 staff - £200 per head

11 to 20 staff - £195 per head

20 or more staff - £190 per head

This constitutes a significant saving on our 2021 fee for individual membership, which is £235.

If you would like any more information, please do not hesitate to contact us.
