including by forming for the above purposes a group of medical practitioners, nurses and allied health professionals interested in the practice of occupational health and medicine in any of its branches.

Nothing in this Constitution shall authorise an application of the property of the Society for purposes which are not charitable in accordance with section 7 of the Charities and Trustee Investment (Scotland) Act 2005.

APPLICATION OF INCOME AND PROPERTY

4.

4.1 The income and property of the Society shall be applied solely towards the promotion of the Objects.

4.1.1. A Trustee is entitled to be reimbursed from the property of the Society or may pay out of such property reasonable expenses properly incurred by him or her when acting on behalf of the Society.

4.1.2. A Trustee may benefit from trustee indemnity insurance cover purchased at the Society’s expense in accordance with, and subject to the conditions in, section 189 of the Charities Act 2011.

4.2 None of the income or property of the Society may be paid or transferred directly or indirectly by way of dividend bonus or otherwise by way of profit to any Member. This does not prevent a Member who is not also a Trustee from receiving:

4.2.1. a benefit from the Society in the capacity of a beneficiary of the Society;

4.2.2. reasonable and proper remuneration for any goods or services supplied to the Society.

BENEFITS AND PAYMENTS TO TRUSTEES AND CONNECTED PERSONS

5.

5.1 General provisions

No Trustee or Connected Person may:

5.1.1 buy or receive any goods or services from the Society on terms preferential to those applicable to members of the public;

5.1.2 sell goods, services or any interest in land to the Society;

5.1.3 be employed by, or receive any remuneration from, the Society;

5.1.4 receive any other financial benefit from the Society,
unless the payment is permitted by clause 5.2, or authorised by the court or the Charity Commission. In this clause, a ‘financial benefit’ means a benefit, direct or indirect, which is either money or has a monetary value.

5.2 **Scope and powers permitting Trustees’ or Connected Persons’ benefits**

5.2.1 A Trustee or Connected Person may receive a benefit from the Society in the capacity of a beneficiary of the Society provided that a majority of the Trustees do not benefit in this way.

5.2.2 A Trustee or Connected Person may enter into a contract for the supply of services, or of goods that are supplied in connection with the provision of services, to the Society where that is permitted in accordance with, and subject to the conditions in, section 185 of the Charities Act 2011.

5.2.3 Subject to clause 5.3 a Trustee or Connected Person may provide the Society with goods that are not supplied in connection with services provided to the Society by the Trustee or Connected Person.

5.2.4 A Trustee or Connected Person may receive interest on money lent to the Society at a reasonable and proper rate which must be not more than the Bank of England bank rate (also known as the base rate).

5.2.5 A Trustee or Connected Person may receive rent for premises let by the Trustee or Connected Person to the Society. The amount of the rent and the other terms of the lease must be reasonable and proper. The Trustee concerned must withdraw from any meeting at which such a proposal or the rent or other terms of the lease are under discussion.

5.2.6 A Trustee or Connected Person may take part in the normal trading and fundraising activities of the Society on the same terms as members of the public.

5.3 **Payment for supply of goods only – controls**

The Society and its Trustees may only rely upon the authority provided by clause 5.2.3 if each of the following conditions is satisfied:

5.3.1 The amount or maximum amount of the payment for the goods is set out in an agreement in writing between the Society and the Trustee or Connected Person supplying the goods (‘the supplier’) under which the supplier is to supply the goods in question to or on behalf of the Society.
5.3.2 The amount or maximum amount of the payment for the goods does not exceed what is reasonable in the circumstances for the supply of the goods in question.

5.3.3 The other Trustees are satisfied that it is in the best interests of the Society to contract with the supplier rather than with someone who is not a Trustee or Connected Person. In reaching that decision the Trustees must balance the advantage of contracting with a Trustee or Connected Person against the disadvantages of doing so.

5.3.4 The supplier is absent from the part of any meeting at which there is discussion of the proposal to enter into a contract or arrangement with him or her or it with regard to the supply of goods to the Society.

5.3.5 The supplier does not vote on any such matter and is not to be counted when calculating whether a quorum of Trustees is present at the meeting.

5.3.6 The reason for their decision is recorded by the SOM Board in the minute book.

5.3.7 A majority of the Trustees then in office are not in receipt of remuneration or payments authorised by clause 5.

5.4 In clauses 5.2 and 5.3 “the Society” includes any company in which the Society:

5.4.1 holds more than 50% of the shares; or

5.4.2 controls more than 50% of the voting rights attached to the shares; or

5.4.3 has the right to appoint one or more trustees to the board of the company.

The SOM Board may approve different rates for different classes of Members. An Honorary Member shall not pay a registration fee or subscription.

15.2 The SOM Board may waive all or any part of any fee or subscription of a Member.

15.3 Unless the SOM Board makes a waiver under clause 15.2, a Member shall not be entitled to exercise any of the rights under this Constitution attaching to his or her class of Membership unless he or she has paid all subscriptions and other fees then due and owing by him or her.

15.4 A person ceasing to be a Member in accordance with clause 16 shall remain liable to pay to the Society all subscriptions and other sums due up to the date on which he or she ceased to be a Member and shall not be entitled to a refund of his or her subscription.

16.6.2 the Member concerned is allowed to make representations at the meeting.

REINSTATEMENT OF MEMBERSHIP

17. The SOM Board may reinstate a Member removed under clause 16.5 when the Member has paid all arrears and (at the discretion of the SOM Board) a reinstatement fee.

REGIONAL GROUPS OF THE SOCIETY

18. The SOM Board may in accordance with the Regulations establish as part of the Society Regional Groups of the Society for purposes within the objects of the Society. Regional Groups shall be governed by this Constitution and the Regulations, but Regional Groups may make rules governing their affairs as long as not inconsistent with this Constitution or the Regulations.

19. Every Member is entitled to become a member of one Regional Group at any one time.

20. A majority of the members of a Regional Group must be Members.

21. Each Regional Group shall elect a Chair, Honorary Secretary and Honorary Treasurer who must be Full Members.

22. The SOM Board may suspend, amalgamate or dissolve a Regional Group in accordance with the Regulations.

23. A Regional Group is not an independent organisation from the Society. Any rights, assets or funds acquired, received or used by or under the control of a Regional Group, its officers or members on behalf of it shall belong to the Society and, upon dissolution of the Regional Group, shall be transferred immediately to the Society.

GENERAL MEETINGS

24. The Society shall each calendar year hold a General Meeting as its Annual General Meeting in addition to any other General Meetings held in that year. The Annual General Meeting shall be held at such time and place as the SOM Board decides. All General Meetings other than the Annual General Meeting shall be called Special General Meetings.

25. The business to be transacted at the Annual General Meeting of the Society shall consist of:

25.1 the receipt of the annual accounts and report of the Society;

25.2 the declaration of the results of the election of Officers;

25.3 the appointment of the Society's auditors (if required by law);
25.4 the receipt of the SOM Board’s report on Members’ subscriptions for discussion;

25.5 any other business decided by the SOM Board;

25.6 any resolution proposed by Voting Members in accordance with clause 26.

26. The SOM Board shall include in the business of an Annual General Meeting a resolution signed by at least 5% of the Voting Members and notified in writing to the Society at least sixty days before the date of that Annual General Meeting, save that the SOM Board at its discretion may exclude such a resolution from the business if it is similar to one included in the agenda for any of the three immediately preceding Annual General Meetings of the Society.

NOTICE OF GENERAL MEETINGS

27. The SOM Board may call a Special General Meeting at any time.

28. The SOM Board must call a Special General Meeting if requested to do so in writing by at least 5% of the Voting Members. The request must state the nature of the business that is to be discussed. If the SOM Board fail to hold the meeting within twenty-eight days of the request, the Voting Members may proceed to call a Special General Meeting but in doing so they must comply with the provisions of this Constitution.

29. The notice of a General Meeting must specify the date, time and place of the meeting and the general nature of the business to be transacted. If the meeting is to be an Annual General Meeting, the notice must say so.

30. A General Meeting shall be called by at least 14 clear days’ notice sent to all Voting Members, other Members and the Trustees.

31. The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

32. No business shall be transacted at any General Meeting unless a quorum of Voting Members is present. Unless this Constitution otherwise provide, ten Voting Members present in person and entitled to vote on the business to be transacted shall be a quorum.

33. If, within 15 minutes from the time appointed for the holding of a General Meeting, a quorum is not present or if during a meeting a quorum ceases to be present, the meeting, if convened on the requisition of Voting Members, shall be dissolved. In any
other case, it shall stand adjourned to the same day in the next week (but if that day falls on a bank or public holiday, the meeting will be held on the first business day (excluding Saturdays and Sundays) after that holiday), at the same time and place, or to such day, time and place as the President, or the SOM Board, shall appoint. If at the adjourned meeting a quorum is not present within 15 minutes from the time appointed for holding the meeting, ten Voting Members present in person and entitled to vote on the business to be transacted shall be a quorum.

34. The President shall preside as chair at every General Meeting of the Society or if he shall not be present within 15 minutes after the time appointed for holding the meeting, or shall be unwilling to preside, the Immediate Past President shall, if present and willing to act, preside as chair failing which the Voting Members present shall elect one of their number to be chair of that meeting.

35. The chair of any General Meeting may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place.

36. When a General Meeting is adjourned for 14 days or more, at least seven clear days’ notice shall be given specifying the time and place of the adjourned meeting and the general nature of the business to be transacted. Otherwise, it shall not be necessary to give any such notice.

37. At any General Meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands a poll is demanded:

37.1 by the chair of the meeting; or
37.2 by at least ten Voting Members present in person having the right to vote on the resolution.

38. Unless a poll is so demanded:

38.1 a declaration by the chair that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority; and

38.2 an entry to that effect in the minutes of the General Meeting,

shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
39. The demand for a poll may be withdrawn before the poll is taken, but only with the consent of the chair. The withdrawal of a demand for a poll shall not invalidate the result of a show of hands declared before the demand for the poll was made.

40. A poll shall be taken as the chair directs and he or she may appoint scrutineers (who need not be Members) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the General Meeting at which the poll is demanded.

41. No poll shall be demanded on the election of a chair of a General Meeting or on a question of adjournment. A poll demanded on any other question shall be taken at such time and place as the chair directs not being more than 30 days after the poll is demanded. The demand for a poll shall not prevent continuance of a General Meeting for the transaction of any business other than the question on which the poll is demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the General Meeting shall continue as if the demand had not been made.

42. No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In other cases at least seven clear days’ notice shall be given specifying the time and place at which the poll is to be taken.

VOTES OF MEMBERS

43. Except where this Constitution requires a higher majority, a resolution at a General Meeting is passed by a simple majority of the Voting Members who vote on the resolution at the meeting. Any votes cast by a Voting Member, who is not entitled to vote on the resolution, are disregarded. Retired Members and Honorary Members, who are not Voting Members, are entitled to attend and speak at General Meetings but not to vote at them.

44. Every Voting Member shall have one vote (whether on a show of hands or on a poll) to be cast by the Member personally. In the case of an equality of votes, the chair of the General Meeting shall have a casting vote in addition to any other vote he or she may have.

45. A Voting Member who has not paid every subscription or other sum due and owing by him or her to the Society shall not be entitled to vote.

46. No objection shall be raised to the qualification of any voter except at the General Meeting or adjourned meeting at which the vote objected to is tendered and every vote
not disallowed at the meeting shall be valid for all purposes. Any objection made in
due time shall be referred to the chair whose decision shall be final and conclusive.

47. A Voting Member shall not be entitled to appoint another person as his or her proxy to
attend and vote at a General Meeting on his or her behalf.

EFFECT OF MEMBERS’ RESOLUTION

48. (Except where it relates to a resolution required by this Constitution to be passed by
the Voting Members) a resolution passed at a General Meeting:

48.1 whose text was included in the requisition of Members under clause 28; or
48.2 which was notified pursuant to clause 26,

shall be referred as a recommendation to the SOM Board.

49. The SOM Board shall, if necessary, report to the Members on the recommendation, if
the General Meeting at which the resolution was considered so requires.

VOTING BY BALLOT

50.

50.1 The SOM Board, at their discretion, may determine that a resolution of the Voting
Members is proposed for approval by ballot, instead of at a General Meeting. The
SOM Board shall determine whether a ballot is conducted by post or electronically.

50.2 A resolution approved by a ballot has effect as if passed at a General Meeting.

50.3 The Society must send a copy of the resolution proposed by the ballot to all eligible
Voting Members. All eligible Voting Members shall be entitled to cast a vote by ballot
on the resolution.

50.4 An eligible Voting Member is a Voting Member who would have been entitled to vote
on the resolution had it been proposed at a General Meeting.

50.5 The procedure for the conduct of, the counting of the votes cast in and the declaration
of the results of the ballot shall be set out in Regulations.

50.6 A resolution proposed for voting by ballot is passed if it is approved by at least two
thirds of the eligible Voting Members.

50.7 The accidental omission by the Society to comply with this clause 50 or the provisions
in Regulations concerning ballots, or the non-receipt of any documents in respect of
the ballot by a Voting Member or the Society, shall not invalidate a resolution passed
by ballot.
50.8

POWERS OF THE BOARD

51. Subject to the provisions of this Constitution, the business of the Society shall be managed by the SOM Board. No alteration of this Constitution shall invalidate any prior act of the SOM Board which would have been valid if that alteration had not been made. A meeting of the SOM Board at which a quorum is present may exercise all the powers exercisable by the SOM Board.

52. The Trustees have power to do anything which is calculated to further the Objects or is conducive or incidental to doing so and, without prejudice to the foregoing:
