

**CAMBRIDGE HEALTH AT WORK, ADDENBROOKE'S HOSPITAL
CAMBRIDGE UNIVERSITY HOSPITALS NHS FOUNDATION TRUST**

**CONSULTANT IN OCCUPATIONAL HEALTH (10PA'S)
REFERENCE – 180-CON-2130**

Applications are invited for the post of Consultant in Occupational Health (10PA's) at Cambridge Health at Work.

Cambridge Health at Work is an established SEQOHS accredited Occupational Health service providing services to Cambridge University Hospital Trust, West Suffolk Foundation Trust, University of Cambridge and other local and regional organisations. We have an exciting vision and currently working on exciting collaborations, research projects and workforce health programmes.

The successful candidate will be joining our evolving multidisciplinary team and be expected to provide a range of occupational health services to healthcare, biomedical, industry and higher education establishments. They will also be expected provide educational supervision to trainees, undertake training activities and contribute to policy.

Applicants are required to be on the GMC Specialist Register or within 6 months of their expected date of receipt of a CCT at the time of interview. Applications are welcomed from those unable to work full time for personal reasons or those wishing to job-share.

The applicant must have demonstrable skills in listening, reading, writing and speaking in English that enable effective communication about medical topics with patients and colleagues, as set out in the GMC's Good Medical Practice (2013).

Informal enquiries about this post should be addressed to Dr Geraldine Martell, Consultant in Occupational Medicine. Email Geraldine.martell@addenbrookes.nhs.uk or telephone 01223 216351.
