Trustee of SOM

Can you help deliver a modern, relevant professional body to improve workplace health?

From June 2020 we wish to recruit a trustee to join SOM's nine-person board for a 3-year term (the maximum term of office is six years).

Our Board of Trustees is responsible for ensuring that we meet our charitable aims and legal obligations. It provides a focused decision-making process, working with the Chief Executive, and staff team.

We are particularly interested in someone who has a background in the commercial sector particularly with digital skills.

The Board usually holds quarterly meetings, as well as possible discussions by email between meetings.

Board members do not serve a geographic constituency, but the Board welcomes trustees from Wales, Northern Ireland, Scotland or outside the UK.

Candidates are invited to provide a short brief (no more than 250 words) and CV to nick.pahl@som.org.uk.

If you have any questions about this role, contact Nick or telephone 0203 910 4537.

Timeline:

end April - applications CLOSE

May - Interviews by Board representatives

June 8th - Board agrees candidate

July - induction

September - first Board meeting
