## FOM Approved DipOccMed Course

This two-week course is designed for doctors wishing to prepare for and sit the Faculty of Occupational Medicine (FOM) DOccMed examination. Ahead of the November 2021 examination, we have put together an extensive and detailed two-week long course that will put you in the best place for examination success.

All relevant topics will be covered by one of our Expert Tutors who bring with them decades of theoretical and practical knowledge within the occupational health industry.

Our Expert Tutors delivering this course will be:

- Dr Dil Sen FFOM (Former Academic Dean for the Faculty of Occupational Medicine)
- Dr John Hobson FFOM (Former Editor of the Society of Occupational Medicine Journal)
- Dr Philip McIlroy FFOM (Examiner for the Faculty of Occupational Medicine)
- Dr Tok Hussain FFOM (Director and Former Chief Examiner at FOM)
- Dr Shahed Khan MFOM (Former Training Programme Director for the Yorkshire & Humber Deanery)
- Alison Hussain SCPHN OH (Operational Director)
- Diana Kloss MBE, LLB, LLM, HonFFOM (Employment Judge)
- Adrian Hirst PhD DipOccHyg CFFOH CMIOSH (Occupational Hygienist)
- Dr Tony Gill MRCGP, FFSEM (Head of MSK, Sports and Exercise Medicine)
- Paul Thorley Ryder Dip in Counselling; Certified Practitioner in EMDR (Head of Mental Health Services)
- Dr A Javed MRCP, MRCP Dermatology (Consultant Dermatologist)
