

BHSF OCCUPATIONAL HEALTH – WELLBEING SOLUTIONS FOR BUSINESS

Occupational Health Physicians – North West England, London, National

BHSF are a not-for-profit health and wellbeing provider with a proud history dating back to 1873. We are SEQOHS accredited and always strive to deliver best-in-class OH services to our 1000+ clients across the UK and Ireland. Our extensive OH portfolio covers customers in chemicals, manufacturing, education, construction, healthcare, rail, logistics, automotive, local authority, NHS and the Premier League.

BHSF aims to do something other than to just make a profit: we operate for a collective benefit and any surplus money is reinvested back into the business. One example of how BHSF develops its staff is through its Training Academy. BHSF's Training Academy currently supports 9 Occupational Health Advisors and eight Occupational Physicians who are all working towards accreditation in Occupational Medicine.

The Role:

We have a brilliant opportunity for 3 positions within the team. We welcome further applications from experienced doctors with AFOM or MFOM but also for doctors to enter our Training Academy.

You will be part of a highly motivated Consultant-led customer-focused team carrying out home- and site-based clinics and workplace visits across a variety of different industry sectors. You will be working within a supportive culture and in conjunction with colleagues in Clinical Governance, Nursing, Operations and Customer Relations where you will be able to enhance your skills in Occupational Health Service delivery.

For doctors in the Training Academy, you will be provided with regular support from clinical and educational supervisors and the opportunity to undertake additional training and courses to obtain further qualifications and career progression, working towards AFOM and CESR route to specialist accreditation.

To be considered for the role you must at least hold:

- GMC Registration with a valid licence to practise
- Completion of foundation programme and core training (CT1/2) or specialist routes (ST1/2/3)
- DOccMed minimum, AFOM and MFOM desirable
- Full UK driving licence (as travel to customer locations and BHSF offices are part of the programme)
- BHSF welcome applications from candidates wishing to switch speciality

Desirable criteria:

- Strong commercial awareness
- Professional written and verbal communication skills
- Good interpersonal skills
- Ability to work under pressure and to be flexible
- Enthusiastic and motivated and an ability to take responsibility
- Information and communications technology
- Keep knowledge and skills up to date

What we offer:

We will provide you with a stimulating, flexible, friendly and collegiate environment to work in. We have a portfolio of customers that will help provide varied work and maintain or develop skills. We will consider applications for full or part time working.

BHSF offers their Occupational Physicians a significant benefits package which includes:

- A market competitive salary starting at £100,000 per annum (pro rata for part-time hours) at DOccMed, increasing depending on qualifications.
- 26 days holiday per annum plus public holidays
- Life assurance and Health Cash Plan
- Generous Group Personal Pension Plan – 10% employer contribution with 5% employee contribution
- GMC, FOM, appraisal, revalidation and indemnity fees paid
