

Company OH Consultant
JCB WORLD HEADQUARTERS - Medical Centre

Contract Type:Permanent
Working Pattern:Full Time
Salary:Competitive DOE plus benefits
Closing Date:20/03/2020

We have a great opportunity for a OH Consultant to join our team.

JCB is a truly world class, family owned business. We manufacture more than 300 different machines, from backhoe loaders and Loadall telescopic handlers to tracked and wheeled excavators, wheeled loading shovels and articulated dump trucks. For agricultural markets, we produce a range of telescopic handlers and the unique Fastrac tractor. Not to mention manufacturing the Teletruk forklift for the industrial sector.

We're proud of our achievements and recognise that future growth and success is shaped by the ambition of our team. If you're looking for a career with a business where people really count, look no further than JCB.

Overview of the role:

A fantastic opportunity has arisen to work as the lead Occupational Health Physician in an in-house Occupational Health Department at JC Bamford Excavators.

You'll work closely with Management, HR and our people leading on wellbeing strategies and initiatives to help keep our people healthy, fit and productive.

You'll support and advise management, Human Resources, Health and Safety and our people on sickness absence, fitness for work, rehabilitation, redeployment and disability legislation – ensuring that we remain proactive spotting health trends in the workplace before they impact on our people and the business.

About you:

You'll either have membership of the Faculty of Occupational Medicine (MFOM) or be an experienced AFOM/DOccMed candidate, fully registered with the GMC.

We're looking for a Doctor with a General Practice background, full driving licence and the expertise to delegate when needed. Your ability to communicate strategy at a very senior level will be key, including project management and agile responding to the fast-moving nature of our business.

What's in it for you?

Our achievements – now and in the future – are down to our 14,000-strong worldwide workforce. Career development and the chance to progress is integral to our success story we also pay great attention to employees' health and welfare.

You can expect medical insurance and dental care schemes, plus access to our healthy living centre. Naturally, this comes with a competitive salary, company pension and 33 days' annual leave.

JCB: Building a Brighter Future

JCB is an equal opportunities employer. We value diversity and welcome applications from candidates from all backgrounds. What's more, we have won more than 50 major awards for engineering excellence, exports, design, marketing, management and for its care for the environment. Among them are 30 Queen's Awards for honouring innovation and exports.

We look forward to your application for this position to join our award winning team
