

Specialist Training Post - Occupational Medicine

An outstanding opportunity to further your career with Healthwork -
a dynamic occupation health provider

Excellent remuneration package plus benefits

We are Healthwork

Healthwork is a well-established, exciting provider of innovative, flexible and high-quality occupational health and safety services and corporate medical services. We provide a full range of occupational health and safety services to a variety of organisations including fire services, police forces, local authorities, NHS trusts and a wide range of private sector employers. Due to rapid expansion, acquisitions and an increased request for our services from existing customers and from new customers, we are seeking to appoint another specialist trainee to join our expanding team.

Specialist Training Post – Occupational Medicine

The Healthwork Specialist Training post is a run-through Training Programme from ST3 to CCT Consultant status. The successful candidate will work out of our Leeds and Manchester offices. The ideal candidate will have excellent communication skills and have the ability to work effectively in a team. In return, we offer an excellent remuneration package, payment of professional subscriptions, flexible working arrangements, career development opportunities, and the opportunity to be actively involved in the expansion of an occupational health company.

You will be joining our dynamic team of senior and experienced Occupational Physicians including four trainees and experienced occupational health advisers. You will be responsible for the provision of high quality occupational health services to our customers.

Closing date for applications is 11th May 2020
