## Occupational Health Advisor Full Time Kent Based

[www.allhealthmatters.co.uk](http://www.allhealthmatters.co.uk)

### Details

- Full time / Part time considered.
- Qualified OHA - Must have experience of health surveillance and management referrals
- Salary £32k - £45k DOE + Benefits.
- Employee-owned company - all direct employees who have passed probation are eligible for bonuses linked to company success.

### About the role

Our OHAs are professional, compassionate, and agile. You might be carrying out management referrals and health surveillance for a manufacturing company one day, and the next be working from home carrying out remote referrals and pre-placement screening for our white collar clients. You'll also have the opportunity to get involved with health promotion and pro-active wellbeing campaigns to really make a difference to our clients' workforces.

You'll be able to think on your feet, have a love of learning and self development, and be able to build rapport with people from all walks of life. Our work is all done online, so you'll have some computer skills or at least be unafraid and willing to learn. Immunisation training would be a bonus but is not essential.

This position is based in Kent and will require travel to clients sites and our Canterbury clinic so having your own transport is essential. There will also be the opportunity to work from home occasionally if suitable.

Send your CV & tell us what makes you tick: [rachel.day@allhealthmatters.co.uk](mailto:rachel.day@allhealthmatters.co.uk)
